Sunday Night Curling Rules

1. Games are 2 hours in length. Teams can play up to 7 ends. Once the 105-minute mark has passed, if teams are still playing, they are to finish the end they are playing, but not start a new one (if the game finishes on an uneven number of ends, all players help to slide the rocks down to the other end).
2. Points are scored based on games won. Teams are awarded two points for a win and one point for a tie.
3. Teams alternate throwing rocks, with a player from each team throwing 2 rocks. The order of players throwing their rocks must remain consistent throughout the game (teams with only 3 players will have the first 2 players throwing 3 rocks and the last player will throw 2 rocks).
4. Rocks that do not completely pass the hog line are to be removed from play.
5. Rocks that touch the sideboards or the sidelines are to be removed from play.
6. Throwers must release the rock before any part of their body crosses the hog line.
7. Only one team can score in any end. The team with the rock closest to the centre scores. Points are scored for every rock that is closer to the centre than the opponent's closest rock.
8. Teams may use substitute players for any game except the playoffs. Players must play at least 50% of the regular season games **and** must be a registered member of the team to be eligible to play in the playoffs. In the event of an extenuating circumstance, a substitute may be allowed to play during playoffs; however, this must be approved by an office staff member AND the coordinator PRIOR to the night of playoffs.
9. All curlers must wear **clean indoor** shoes on the ice – either curling shoes or indoor running shoes – they may put either a slider or clear tape on one shoe (tape is available at the curling club) if desired.
10. Please do not hit the ice with the brooms.
11. Please do not crash the rocks – they are expensive.
12. Brooms are provided by the club. Please return them to the broom bin when finished.
13. **Please do not sit on the ice while you watch your rock go to the other end! Also, if you fall, please get up as quickly as possible – sitting on the ice puts divots in it and ruins the surface.**
14. Please have the courtesy to respect the Curling Club and its' equipment.
15. It is tradition for the winning team to buy the losing team the first round of drinks following the game. If time allows it, the losing team reciprocates by buying the next round of drinks.
16. Have fun!
